## SECTION E -- INSPECTION AND ACCEPTANCE

### E.1 HC.5.003 INSPECTION OF SERVICES

JUNE 2002

a. Definitions. "Services," as used in this clause, include services, workmanship, and material furnished or utilized in the performance of services.

b. The Contractor shall provide and maintain a quality assurance system acceptable to the House covering the services under this contract. Complete records of all quality assurance work performed by the Contractor shall be maintained and made available to the Contracting Officer (CO), Contracting Officer's Representative (COR) or their designated representative, during contract performance and for one year after contract termination.

c. The COR has the right to inspect and test all services called for by the contract at all times and places during the term of the contract. The COR shall perform quality assurance reviews and tests in a manner that will not unduly delay or impede the contractor's work.

d. The House will perform an onsite review and inspection of the fixtures, at the contractor's build site, prior to their shipment to the House for installation. The inspection will take place at least one (1) week prior to the fixtures scheduled delivery date.
